The Headington Cellars

SPECIALISTS

We specialize. We do a lot of business with physicians and surgeons. We believe we know what kinds of wines and liquors you like and that you like them quickly (and inexpensively!). We give special attention to prescription orders—sherries, ports, other wines, and spirits. We deliver to office, home, or hospital—to any point allowed by law. We invite inquiries.

A toast to all true Sherry

If you have learned the pleasure of sipping a truly dry Sherry before dinner you have learned a lot about gracious living. If you have learned to say Domecq (Do-Meck) your education is completed — for that is the name of the oldest Sherry vintner in all of Spain.

We have prepared a colorfully illustrated monograph telling of Sherry's glamorous past. For your copy write to:
